**Standard Condition #1:** Defendant shall not commit any offense in violation of federal, state or local law. Defendant work for the United States government or any federal or state law enforcement agency, unless Defendant first notifies the supervising Pretrial Services Officer in the captioned matter.

RESPECTFULLY PRESENTING PETITION FOR ACTION OF COURT FOR CAUSE AS FOLLOWS:

**Violation #1:** Byron Thomas Ginn is alleged to have violated his condition of pretrial release supervision by being arrested for driving under the influence on February 11, 2021.

On March 15, 2019, the conditions of pretrial release supervision were reviewed with Mr. Ginn. Mr. Ginn acknowledged an understanding of the conditions, which included standard condition number 1.

The following information was obtained from Washington State Patrol report number 21-002665.

On February 11, 2021, at 7:13 p.m., a trooper with the Washington State Patrol (WSP) was advised by the WSP communications center that a Spokane County sheriff's deputy requested assistance for a possible driving under the influence (DUI) investigation on State Route 2 in Spokane County, Washington.

The trooper arrived at the scene at 7:20 p.m. and contacted a Spokane County sheriff's deputy. The deputy advised he had been traveling westbound on State Route 2 in his fully marked police vehicle. The deputy observed a red pickup truck traveling westbound on the roadway. The vehicle drifted onto the shoulder of the road on two occasions. Subsequently, the deputy initiated a traffic stop. The driver, later identified as Mr. Ginn, had delayed movements and an odor of intoxicants was coming from the vehicle.

Upon arrival, the trooper went to the vehicle and contacted Mr. Ginn. The trooper could smell the strong odor of intoxicants emanating from the vehicle. Mr. Ginn's eyelids were droopy and his eyes were watery and bloodshot. His movements were slow and delayed.

Upon the trooper's request, Mr. Ginn exited the vehicle. Mr. Ginn slowly exited the vehicle and used the vehicle for balance. He swayed and staggered as he walked toward the trooper. The trooper could smell the obvious odor of intoxicants emanating from Mr. Ginn. Mr. Ginn told the trooper he had one beer approximately 1 hour earlier. He agreed to voluntary field sobriety testing, in which he was unable to complete the tests. Mr. Ginn also provided a breath sample that had a blood alcohol concentration (BAC) of .209.

Based on the totality of circumstances, the trooper placed Mr. Ginn under arrest for driving under the influence of alcohol (DUI) and transported him to the Spokane County Public Safety Building (PSB). Once at the PSB, Mr. Ginn provided two independent breath samples that had results of approximately .221 and .228 BAC.
